### Managed Cloud Services (Monthly Costs with free setup for annual term)

<b>Cloud Managed AV &amp; Security Protection</b>	3.75
All managed services include remote monitoring and we notify you in event of an issue. The service covers protection against virus, spam, ransomware and website threats. It also checks that your protection is running and up to date.	
<b>Cloud Content Filter</b> (Protection for children to block undesirable websites)	1.75
<b>Cloud Backup</b> up to 1GB (Backup your essential data to the Cloud daily)	3.75
Cloud Backup each additional 1GB	1.25
This is based on data size of backup (i.e. capacity used)	
<b>Cloud Sync &amp; Storage</b> (Automatically sync data between your devices)	15.00
This acts like a server to share data and send updates to any joined device including mobiles. The data is always on each device and can be worked on while offline and will automatically sync, as soon as you have an internet connection. Cost per licence. One for management one for each user covering multiple devices.	
<b>Cloud Email</b> hosted on Microsoft Exchange Cloud	9.75
Professional email based on your own domain name (yourname@yourcompany.com). Very large emails and mailbox sizes supported. State of the art security and backup For multiple mailboxes, large discounts applied (e.g. 30% for 5 mailboxes so 6.83)	
<b>Microsoft Office 365</b> (Get Office latest version on a monthly subscription basis)	9.15
<b>Prices are subject to exchange rate fluctuations</b>

v9.08.1

The CiPi Brand is all about quality and support. We don't operate call centres or call queuing. In most cases you will be able to get to an engineer without waiting. Every case is dealt with by an expert - and we diagnose each case individually. If this is your first CiPi Brand purchase you're about to be pleasantly surprised. Choosing the CiPi Brand will make a big difference to your business. Or to your home IT experience. And we've been doing this for over 35 years.
