TP-Link 300Mbps Wireless N ADSL2+ Modem Router	40.00
TP-Link AV600 Powerline Passthrough Starter Kit	35.00
TP-Link AV600 WiFi Powerline Extender Starter Kit	45.00
Cloud Managed AV & Security Protection	3.75
All managed services include remote monitoring and we notify you in event of an issue. The service covers protection against virus, spam, ransomware and website threats. It also checks that your protection is running and up to date.	
Cloud Content Filter (Protection for children to block undesirable website)	1.75
Cloud Backup up to 1GB (Backup your essential data to the Cloud daily)	3.75
Cloud Backup each additional 1GB	1.25
This is based on data size of backup (i.e. capacity used)	
Cloud Sync & Storage (Automatically sync data between your devices)	15.00
This acts like a server to share data and send updates to any joined device including mobiles. The data is always on each device and can be worked on while offline and will automatically sync, as soon as you have an internet connection. Cost per licence. One for management one for each user covering multiple devices.	
Cloud Email hosted on Microsoft Exchange Cloud	9.75
Professional email based on your own domain name (yourname@yourcompany.com). Very large emails and mailbox sizes supported. State of the art security and backup For multiple mailboxes, large discounts applied (e.g. 30% for 5 mailboxes so 6.83)	
Microsoft Office 365 (Get Office latest version on a monthly subscription basis)	9.15
Prices are subject to exchange rate fluctuations	KEYS ✓ Included as Standard • Not applicable

All prices are in £ sterling and exclude VAT. Our policy is one of continuous improvement, so specifications and prices are subject to change. CiPi Computers are typically shipped within 3 days and are fully configured and tested. If your requirements differ from those shown, then please be aware that customisation is our speciality. E&OE.

v10.01.1

The CiPi Brand is all about quality and support. We don't operate call centres or call queuing. In most cases you will be able to get to an engineer without waiting. Every case is dealt with by an expert - and we diagnose each case individually. If this is your first CiPi Brand purchase you're about to be pleasantly surprised. Choosing the CiPi Brand will make a big difference to your business. Or to your home IT experience. And we've been doing this for over 35 years.
